BELOVED PRESENCE OF GOD I AM AND BELOVED ASTREA, draw within your Circle and Sword of Blue Flame the cause and core of all fear of fire, fear of air, fear of water and fear of the earth, and transmute it into the illumination and Ascended Masters' understanding and use of the Sacred Fire. DECREE FOR THE WATER ELEMENT

Beloved Mighty Presence of God I AM", oh thou beloved Immortal Threefold Flame of Eternal Truth within my heart, Holy Christ Selves of all mankind, beloved Mighty Neptune, beloved Maha Chohan, beloved Kwan Yin, beloved Saint Germain, beloved Arcturus and beloved Zadkiel and all who have to do with the beings of nature and forces of the elements. In the name of all mankind, we thank you for the water element. We call the mightiest blessings of God-gratitude upon that element for its limitless service to life on Earth. (3) Bless the water element with the full power of purification by the Violet Fire of Freedom's Love and the Pink Adoration Flame of Gratitude, sustaining it forever. Illumine the people of this planet at once concerning their great need for this element and all the service it has given them through the ages. Let all mankind now consciously express such gratitude to and for the water element that they make it their devoted friend and co-worker and thus avoid as much distress as possible, should world changes be compelled to take place. We consciously accept this done right now with full power.

DECREE TO BLESS SYLPHS

Beloved mighty victorious presence of God I AM in me! Oh, thou beloved Immortal Threefold Flame of Eternal Truth within my heart, Holy Christ Selves of all mankind, beloved Helios and Vesta, beloved Aries, Thor and Lord Maha Chohan! In your name, love, wisdom, power and authority, I ask you to bless, bless, bless the sylphs of the air, without limit, in ways the unascended consciousness of mankind does not know and cannot understand. Purify these beloved beings, who have served mankind so long and have labored under the weight of mankind's discord and impurity. Seal each one, this instant and forever, in an oval of Violet Transmuting Flame, at least three times larger than their own size, and keep that oval of Violet Flame filled with the fragrance of violets. Expand that blessing a thousand-fold more each day, until the atmosphere of our planet is crystal clear, and every sylph is eternally FREE from that which God never meant to be! I consciously accept this done RIGHT NOW with full power! (3)
