OWN DECREES

I ask my beloved I AM Presence and the Ascended Master Saint Germain for the Violet Flame of Purification and Transformation, that serves the Divine Light: (3 x)

Violet Flame sweep, with your power of thousands of suns through and around the whole earth and every living being, up to a height of 3000 meters. Purify and transform all negatively evaluated energy and transform it into a luminous vibration, which bless every living being and increase and expand the light quota of the earth many times over.

Keep it up, until the earth and all beings are liberated and the "Freedom Holy Star" of the beloved Saint Germain is manifest. (3 x)

So be it !!! IN GOD'S HOLY NAME I AM !!!

(Visualize "Mother Earth" illuminated with violet light and beyond, up to the "Ring Pass Not" - this is the protective ring around the earth so that no disqualified energy can escape - until an height of 3000 meters)

I AM the Presence of the Violet Flame that dissolves and consumes everything, that is less than perfection on this earth.

I AM, COME and take complete control of the earth and all living beings. Right now !!!

I AM the only and perfect power that acts here and manifests perfection. So be it !!!
