

BRIDGE TO FREEDOM LITERATURE

HOW A CHOHAN IS APPOINTED **By the Ascended Master Saint Germain**

I thought it may interest my friends to learn how it was that I was chosen to be the representative of the Seventh Ray.

You have been told elsewhere that long before the inhabitants of the Earth took embodiment and while they still abode in innocence in the bosom of the Eternal Father, many were drawn by the pull of complementary vibrations, in themselves, toward one or other of the various activities of Light in the great inner temples, devoted to the service of the expansion of some divine quality or virtue by which the evolving life in the universe might be enriched.

So it was, in contemplating the nature of God in those early days, that I became attracted to the quality of freedom. I worshipped at its altar! I became a devotee of its flame! I longed for the opportunity to embody freedom and bring its feeling of emancipation to all the evolving life I might contact. Thus, when it became time for me to take embodiment, I applied myself to the necessary discipline by which I might qualify to become the messenger of freedom to the planet Earth, with the hope that I might be privileged to ensoul this God-quality with my own intelligence and directing power.

Finally, after long ages had passed, during which I still pursued my course in cultivating this great emancipating quality, I found myself “vested” with the freedom flame, which was tied into my physical heart. I learned then that my activity from here on was to interest and secure as much energy from the mankind of Earth as I could, in order to increase the power and momentum of

this flame, building always toward the cosmic moment when freedom's flame would be required to appear upon the screen of life as manifested upon the planet.

It was at this initiation that the cosmic Temple of the Fiery Flame of Freedom's Love was inaugurated at inner levels. Great angelic beings offered to guard and sustain the concentrated essence of this Flame of Freedom, while I finished my round of incarnations, endeavoring always to interest individuals in the cause of freedom, with the hope that there would become sufficiently fired to expand the flame of freedom through the limited expressions of the age in which they lived.

Each time, at the close of my embodiment, I brought over with me more of the energy and substance of the third dimensional world contributed by individuals who had found that cause good. Between embodiments I continued my endeavors with those in the realms where I awaited summons by the Karmic Board for reincarnation, and, through the help of the great Lord Michael (the Archangel) I also visited the lower realms, where many discarnate souls (also awaiting re-embodiment) dwelt.

Thus, the cosmic flame of cosmic freedom grew and waxed strong, and, the stronger it grew, the greater its radiation and pressure through the hearts of the people became, until the majority began to stir with a desire to know, to experience, and to become freedom, incarnate.

This was the cosmic summons required by the great Cosmic Law BEFORE the full power of the Seventh Ray could manifest itself through the religious, scientific and educational channels of the race.

You will see how the demand for freedom has been asserting itself all over the planet for the past several centuries through those individuals who were particularly attuned to the freedom flame at inner levels, who had made their abode in or near the Freedom Temple between embodiments.

These people were the forerunners of the spiritual order which has just begun to emerge from the inner spheres and which is being sensed by the most discerning among the sons of men.

Thus, when the Chohan who would represent the Seventh Ray to the planet Earth for this cycle was to be designated, the great Cosmic Law chose to honor your humble servant with the appointment, succeeding the beautiful Master who had been Chohan of this ray in a former cycle, and who was going forward now to greater heights of service on the cosmic ladder of evolution.
