

THE NEED FOR HARMONY From Beloved EL MORYA

Music can do for the soul what no other activity that appeals to the senses can accomplish. When the beautiful vibrations of the organ, played by One Who is the embodiment of Love and Compassion and Enlightenment, flow forth into the ethers in waves of glorious sound, there is not a person on this Planet who does not feel the ease and peace and rest of that outpouring.

You might liken it to the ever-increasing volume of waves thrown off from a playing fountain into the pool about it, and according to the volume and intensity of feeling played into the music is the world saturated with that harmonious sound.

In a world where there is constantly being poured the discordant cadences of man – which sound is prevented from leaving the atmosphere of Earth and must return and bombard the helpless people upon its surface, the need for harmonious sound is very great.

Every person, in generating and pouring forth the energy of life each moment, may be such a glorious fountain through which the Heavenly music may flow in such fine tones that it is not audibly discernible to the physical senses of man – although it is absorbed hungrily, and one might say avidly, by the starving emotions of the people who crave peace and ease and rest.

If you could but visualize the bodies of mankind as helpless naked forms exposed to every passing vibration, beaten and broken by the catapulted discords of this world, you would perhaps see, slightly, the need for generating centers of Peace – giving forth Healing to soothe them like unto the anointing of their broken flesh with sweet-smelling oils.

When I sit at My organ, I first throw open wide the windows and the large glass door, and then I am very still. The sunlight pours down through the glass-topped roof of My tower room wherein the organ is situated. There are innumerable birds, not caged, but flying about quite freely – those of tropical origin as well as the types ordinarily found at such rarified atmospheric heights. Usually, the first notes of the organ bring the Devas of Music, and often the Celestial Choir and groups of Angels gather also.

I think deeply of the peoples of Earth and then bring forth the melodies that My Heart sings to Me – letting the rising power of the organ flow forth in waves of exquisite color into the world of men. Oft times the Devas will plunge into the sea of sound, and gathering the rainbow hues about Their great forms, sail off into space – vibrating and pulsating with power to release that Light Form into some special need of Earth.

I have seen the Angels and the Cherubim stand before the organ and seize each ribbon of sound as it came forth, and somewhat similar to your Maypole dance, weave a beautiful mantle of color which, being alive, pulsating and continually vibrating, wraps itself about the Angel forms until They are entwined around and around with that lovely sound. Then They go forth – carrying the mantle – giving service wherever directed by Their Masters.

PURITY IS ESSENTIAL

The natural expression of Life is the pure, unadulterated Flame fashing forth through a crystal clear body that is but an iridescent cloak for the Fire of Creation.

Matter, as heavy substance with density which does not emit the radiance of this flaming Heart Center, is not a natural activity of Life. All form should be an iridescent, prismatic, electronic pulsating substance, and all expressions that do not release self-created radiance are sub-natural and impure.

The atmosphere of Earth, the plant life, the animal creations and the physical bodies of man are loaded with impurity and are, therefore, dense, heavy and cumbersome. By the drawing of the Flame of Purity from the Cosmic Realms through your lifestreams, and the conscious expansion of that Flame of Purity in every electron within your body, you may again dissolve this density and resume your natural state.

When you look upon the manifestations of life around you, whether it be in Nature, in animal, or in man, you can readily see what a great need there is for Purity upon your plane of existence. This is not a mental or a moral state of mind; neither is it a feeling of righteousness in the abstinence of certain physical acts, but the scientific drawing and expanding of the Flame to dissolve the matter wich makes the flesh body a dense coat.

THE NEED FOR CONSTRUCITVE CHANNELS

There is a natural law governing the material wordl by which energy becomes cystalized into matter only through the brain and body consciousness of a physial being who wears yet a body of flesh. However, all law works both ways, and We can only assist mankind through the co-operation and obedience of those human beings who will offer their brains and

bodies to Us in order that We may pour Our Ideas and Inspiration toward the fulfillment of the Divine Plan through them.

Likewise do the vicious forces of disembodied entities act. Their „claws and emissaries“ are those people who have, through long centuries of destructive activities, broken down their natural protection against such forces riding into their worlds.

The minds of men are like stringed instruments open to whatever influence chooses to vibrate the string. From the inner standpoint, it is tragic that the natural protection, whereby the receiving vehicle may be closed against destructive vibrations, has been destroyed by man's own free will action. Thus is man prey to any number of vicious forces desiring to utilize the sensitive brain structure to grind into the world of man the destructive plans and schemes which they desire to fulfill. If the forces behind such activities were not permitted to attach themselves to these pawns, their schemes would thereby be doomed to failure.

Here We have a great need for assistance from you who know this Law. Make your calls that all rates of vibration that tie these unfortunate individuals to such activities be quickened to a point where they may be set free. When there are no more „receivers“, the „feeders“ will be helpless. Thus the more lifestreams you can garner in to be the receivers of Our Forces and inspirational activities toward the fulfillment of the Divine Plan, and the more lifestreams that you can free from accepting depraved human suggestions, the greater accomplishment there will be in bringing to fruition the Golden Age – and quickly.

INSTRUMENTS OF LIGHT

The wise and fastidious musician places his Stradivarius in a velvet case kept in a moderately heated room. If this were not done, at the time of his concert, he would have a poorly tuned and unresponsive instrument, and regardless of his genius, he would be at a disadvantage in having no medium through which to pour his artistry to the responsive ears of men.

The instrument of the Masters through which pours forth vibrations of Harmony, Peace, and Balance in a locality, should be more carefully guarded and protected than the delicate and exquisite Stradivarius. Every Group Meeting is for the purpose of placing a responsive living instrument in the Hands of the Gods in order that We might have a channel in the physical world through which to pour Our Gifts of Light and Life Eternal. This instrument is made up of living souls who have offered themselves as the Body of the Master in that particular locality, and as each soul is in tune with his or her own „I AM“ Presence and the Presiding Master, according to that attunement do they offer a greater or a lesser outpouring from the Master's Lifestream.

When there are selfless souls who are obedient harmonious channels for the Gods, and approach every service and meeting in a most sacred and holy reverence, We have

instruments over which such melodies of Light and Cosmic Consciousness can be poured that transform the instrument itself as well as the locality in which such a sacred focus is located.

Tara's Harp became mute and dead because those individuals who made up its strings chose to remove themselves from the master musician's hands. Thus it is today; the Gods must have dedicated chelas through whom They can pour the benediction of Their Virtues and Gifts to restore the Planet and Her evolutions to the Perfection which once manifested hereon.

The WILL OF GOD is GOOD;

The WILL OF GOD is LIGHT;

The WILL OF GOD is HAPPINESS;

The WILL OF GOD is PEACE;

THE WILL OF GOD is PURITY;

THE WILL OF GOD is BALANCE;

THE WILL OF GOD is KINDNESS!

„I AM“ is the WILL OF GOD in Action

through all Life NOW and forever

sustained !

THE GOD CONSCIOUSNESS

The Consciousness of God is eternal and all-encompassing throughout the Universe, and all created beings live, move, and have their identity within this Light Essence. It contains within Itself all Wisdom, all Creative Powers, and the ability to demonstrate those powers in actual manifestations.

When man was first individualized, the Electronic Presence of each one shared this God Consciousness; this Unity; this Oneness. The „I AM“ Presence, therefore, lived in and by the Light of the Supreme Source, and saw and interpreted all things according to the Intelligence of the Godhead.

In order to create an individualized consciousness within this all-encompassing One, physical manifestation took place and the aspiring God Flame, through experimentation with energy and vibration, was to evolve into individualized consciousness – one with God – but yet adding to the God Consciousness and expansion of this already great Light. This individualized consciousness, which was to be builded through CAUSE and EFFECT, was intended to prepare the Spark of God to become a Creative Flame which, in turn, would be the God Consciousness to enfold and ensoul a new Universe. Thus mankind took incarnation as a Pathway to becoming a Solar Lord.

However, the difficulty arose when, instead of attaining the individualized God Consciousness as was intended, man evolved a human consciousness which must now be transmuted and replaced by this individualized focus of creative power which, at the time of the Ascension, becomes a part of the Ascended Master Consciousness as well.

The Bridge from the human to the Divine is really just a change of consciousness. The lower man must become submerged in the God Will and the Divine Spark must expand its Godly attributes unhampered by the flesh form.

To call for the Ascended Master Consciousness is truly fulfilling the words of Jesus when He said: „Seek ye first the Kingdom of Heaven!“ Persevere in your calls and your demands for that Illumination, and let the lower man GO!
