CONSTANCY

Oh, make and keep us constant,
Belov'd "I AM" to Thee;
And grateful for Thy Presence
Whose Light now sets all free.
We feel Thy Cosmic Power
Thy Love to all impart;
Expand now God's Forgiveness
In every constant heart.

May we be ever constant
When pressures seem so strong,
'Til through Love's Pow'r triumphant,
We sing again its song.
Oh, make and keep us willing
To ever Constant be
In giving our great service
Of loving all life free.

May our desire be constant
To see the Master's Face;
In Faith, our hearts expectant
Are poised in list'ning Grace
To find that Realm Eternal
From whence we ne'er shall roam
When once our tasks are finished
And God then calls us Home.

3 verses
Belov'd Archaii, Constance,
Our Guiding Star now be;
And ever blaze within us
Thy Flame of Constancy;
To make and keep us Constant
In blazing forth God's Light
That raises all mankind in
Ascension's Glory bright!

Melody: The Church's One Foundation

NEARER "I AM" TO THEE

Nearer "I AM" to Thee -
God-Self Divine;
Let me Thy Light now see -
My own God Design.
Be Thou my mind and soul;
Cleanse me and make me whole,
'Til I attain my Goal
And ascend to Thee.

Holy Christ Self of me,
Reveal Thy Power;
Let me Thyself now be
Every passing hour.
Now at Thy Holy Shrine
I see God's Plan Divine;
Love shall my world refine
And make me like Thee.

I see Thy Presence now
Bright as the Sun;
Thy Crown upon my brow
Means my Victory's won.
I hear Thy welcome voice
And Angels now rejoice
That, given Freedom's choice,
I return to Thee.

As Heaven's Gates so fair -
Now open wide,
I know that earnest prayer
E'er has been my guide.
Grateful to Saint Germain
For use of Freedom's Flame,
All bless His Sacred Name
For Eternity.

Melody: Nearer, My God, to Thee

LOVELY SERAPIS

We sing to LOVELY SERAPIS!
Lord of Ascension's great Flame;
Head of the Temple at Luxor;
Seraphim bear His great Name.
We bless Him now for His Service -
Bringing the Christ Self to all;
Angels now wing Him Earth's message:
"Love to SERAPIS from ALL!"

We call to LOVELY SERAPIS;
"Help us our Christ Self become;
Loose all Its Power and powers
Through us to bring mankind HOME!
Make us Its strength and Its glory;
Master o'er land and o'er sea;
Victor o'er human creation -
Free for all Eternity!"

We adore LOVELY SERAPIS;
His Realm of Light is our HOME!
Drawn by electronic power,
Mankind shall nevermore roam!
All that's on Earth now evolving;
All that's of Heaven a part
Join in Light's anthem of Victory
As Earth ascends to God's Heart.

God bless You, LOVELY SERAPIS!
Gifts of God's Love from the Sun,
Drawn by our Helios and Vesta,
Flood now to bless You, Dear One!
Gratitude, reverence and Honor
To You and Your dear Heart Flame,
From all on Earth unascended,
Glorify You in God's Name!

T H E A S C E N S I O N

From the Realms of God's Eternal Peace,
I feel the Pow'r of Love's release;
And, in contemplation, now I see
My Beloved "I AM" Presence over me!
Its dazzling Light envelops all
As I, in adoration, now do call;
As loving arms enfold me 'round,
I dwell in ecstasy profound!

From within this pulsing Sacred Flame
I hear revealed my Secret Name;
As I raise in consciousness, I stand
Ever holding o'er death the Victor's Hand!
As I arise - ascended - free,
From deep within my heart, the Light I see
Enfold all in Its Pow'r of Love -
The Sacred Tone from God above.

Now in Heaven's Realm, my voice I raise
In pouring forth eternal praise
For the Love that strengthens and inspires
And the Light Rays that are God's Sacred Fires.
"I AM" God's Love; His Pow'r; His Might;
My one desire - all life free in the Light -
Returning now to God - the One -
The Source - the Great, Great Central Sun!

Melody: Aloha Oe
(Music is Keynote of Beloved Surya's
Retreat)

BELOVED ASCENSION FLAME

Along the Nile, within the Halls of Luxor,
 The Flame of Ascension dwells;
 That to each one aspiring unto Light,
 The Beauty of Heav'n foretells.
 As in Ascension's Glory
 We see Creation's story -
 This is the Goal that God's Great Love has Willed;
 'Tis our Divine Plan fulfilled!

Serapis Bey, Belov'd Hierarch of Luxor,
 Our Love to Thee ever flows,
 For Thy great Presence - God's sustaining Pow'r -
 That each passing moment grows.
 Our joyful praise ascending -
 With Angel Voices blanding,
 Brings nearer Earth blest Heaven's Kingdom fair
 That all may its glories share.

Ascension's Flame, Thou Gift from God the Father,
 Raise all now in Freedom's Name,
 As we invoke Thy Purity and Peace
 And Thy Mighty Pow'r proclaim!
 To raise each one's attention
 To that one Goal - - Ascension!
 For Thy great Presence grateful shall we be
 Throughout all Eternity!

Melody: Adapted from Liebestraum - Franz Liszt

Keynote: Temple of the Ascension, Luxor, Egypt
 Hierarch: Beloved Serapis Bey

Across thy breast Love's Home address
 Now marked: "Ascend to Me!"
 All things made right - returned to Light;
 'Tend now thy Victory.

Return now HOME, each one, MY OWN,

 Call ye My Might: "I AM" thy Light;
 Come now - ascend to Me!

Ascend to Me!
 Come now - be free!
 Come and be ONE with Me!

OUR BELOVED SANAT KUMARA

Sanat Kumara, Regent Lord and King,
To Thy great Presence praises now we sing -
Off'ring our gifts of humble service true,
Reverence and gratitude to God for You.

Thou art God's Glory, Majesty and Grace;
Thy patient care long held for Earth her place;
All through the ages that have gone before,
Thy Love has been for Earth an Open Door!

Held in Thy Light; Sustained by Thy great Pow'r;
And in Thy Wisdom guided every hour;
We feel Thy Peace in Love's own God-control
As Thy great Wings of Love our worlds enfold.

Glory and Honor unto Thee belong;
Let all adore Thee now in grateful song;
As all that live upon this Planet raise
Heart, soul and spirit to Thy Name in praise.

Great Central Sun, Thy Gifts of Love we call
For our dear Friend of Light and Lord of all;
And for dear Venus, Goddess from the Sun;
Bless Their dear Planet and all Life thereon!

Melody: Spirit of God Descend (Morecambe)

BELOVED GAUTAMA

As shone the Light on Mercy's Temple Altar,
 And pilgrims bowed their heads in silent prayer,
 'Twas then Thy Holy Presence did appear;
 As Thou didst then return from blest Nirvana
 To this fair Earth which long had been Thy home,
 In great compassion for God's children here -
 To teach them how to purify their souls.

Dear Lord GAUTAMA, guide us on Light's Pathway
 That we Thy Love and Grace may manifest;
 As Thou through ages preparation made
 To take the place of Dear Sanat Kumara
 Whose Love and Honor held Earth's balance true,
 And Light's great Power did then all hearts pervade.
 Thus, one by one, we now attain our Goal.

From Thee, Great Central Sun, we ask Thy blessings
 On our Dear Lord GAUTAMA, Prince of Light;
 In gratitude for such a Friend as He.
 Blest Lord of all the World, our prayers ascending
 Do now invoke Shamballa's Love and Peace.
 Give us Thy Patience now to love life free
 That we may help to raise each earnest soul.

Melody: Adapted from "The Song of India"

GAUTAMA - SO DEAR!

GAUTAMA so dear - come to us here!
 Flood forth Your Love to all men,
 Teach us to live - help us forgive
 Help us again and again!

GAUTAMA Divine - let Your Light shine,
 Let all Your Love take command!
 Show all Its worth - hold all the Earth
 Safely in God's Mighty Hand!

GAUTAMA of Peace! Give Earth release
 Compel all mankind to feel
 God's Mighty Truth - from early Youth
 God's LOVE is ALL that is REAL!

CHORUS:

GAUTAMA! GAUTAMA! Seal us in
 Your Lotus Flame!
 GAUTAMA! GAUTAMA! We honour
 Your Sacred Name!
 Give Earth Your Blessing . . .
 Thou Who didst come from afar,
 Leaving the Power of Silence -
 MAKE EARTH A SHINING STAR!

BELOVED LORD DIVINO

Ah, Beloved LORD DIVINO,
 we adore Thee;
 And to Thy Perfection we do
 now aspire,
 As, each passing hour, we feel
 Thy great outpouring
 Of Love Divine - God's Mighty Pow'r -
 the Sacred Fire.
 Love is God's Great Gift that all
 the world is seeking;
 For it is the only Pow'r that
 can redeem,
 As within each heart and soul there
 comes a longing
 To raise to mastery each dear
 lifestream!

Thou who, through devotion, didst
 become the Buddha;
 And who art the great Example
 to us all;
 Let us ever feel the radiance
 of Thy Presence,
 And see the Light expand on Earth
 each time we call.
 Thy Forgiveness, Peace, and Gracious
 Understanding
 Now enfolds us and in great
 sincerity,
 We, with hearts now filled with
 Love's determination,
 Would raise our Earth to Light -
 A SUN TO BE!

BELOVED LORD DIVINO (continued)

Now, from Thee, Great Central Sun,
 we ask Thy Blessings
 On Dear LORD DIVINO, Heaven's
 devoted Friend;
 Who, through all the ages past didst
 hold the pattern
 Of God's Great Plan Divine - that
 all Life must ascend!
 Thus, did He aspire to reach
 the Goal Eternal -
 Ever drawing men and Angels
 unto Thee;
 'Tis Love's Pow'r that brings this
 Perfect culmination -
 Within God's Sacred Heart, at last . . .
 ALL FREE!

Melody: Ah! Sweet Mystery of Life

BELOVED HOLY AEOLUS

Blessed AEOLUS!
 Holy Spirit, come!
 Thou, Son and Father -
 God, the Three-in-One;
 Thy substance flowing
 Through each one's lifestream,
 Sustains Thy channels
 To all life redeem.

Thou art to all the
 Comforter Divine
 Sent by the Father
 To our worlds refine.
 We feel Thy Presence;
 Hold us close to Thee
 'Til we ascend to
 That Blest Trinity!

Come, Holy Spirit,
 Through each earnest soul;
 Expand Thy Light; and
 Raise us to that Goal
 Of the Ascension -
 Love's Eternal Home;
 One with God's Presence -
 Nevermore to roam.

Here shall our Light shine
 Like unto the Sun -
 Guiding all men
 Until God's Will be done!
 Comfort and Truth with
 Peace and Freedom blend -
 Thus Life's beginning -
 Now . . . and without end!

INVOCATION TO THE COSMIC HOLY SPIRIT!

 Each thought and every deed;
 That by our Love all Life
 On Earth be freed!

 That all Earth's children now
 Thy Light may see.
 Ascension is the Goal
 Of mankind;
 May all know that to seek
 So shall they always find!

 Each gentle soul;
 Raise them in consciousness
 To Life's great Goal.
 Send forth Thy Angels bright
 To Joy and Comfort bring;
 Mankind shall to God's Truth

Forgiving all in Freedom's Name!

One day, when all has been said and done;
That day, please God, I shall ascend
And spend Eternity with Him - my Friend!

 All ways His Love commands!

 With every breath I breathe,
 He's in command!

 How we are ONE together,
 He knows; He understands!

 In the raising of mankind of Earth;
 BLAZING forth Your Light Rays

 Dedicating their souls to new birth.
 Let us ever draw forth
 from the Presence above,
 The Light that illumines all men;
 So they see the good works
 of the Father of Love,
 And the Masters walk with us again.

MASTER MORYA, our hearts are
 o'er flowing with Love
 For the Light and the Truth that You bring;
 Teach us ever to live in the
 Presence above,
 That through us the Angels may sing!
 Let us all understand

 The knowledge of God's Sacred Fire;
 That the Earth may be raised
 to Her place in the Sun,
 In fulfillment of Your great Desire!

OUR LOVE TO THE GNOMES

Sweetest little fellows, precious beings, Gnomes;
Working in the field and forest, also in our homes.
Once they danced in sunshine, so happy, pure and free,
In the way that God's Great Love intended them to be.
Then mankind looked downward, human shadows grew;
Each forgot the God Perfection they once knew.
Though the lovely Gnomes to God were faithful and
so loyal,
Human thoughts and ways compelled them, like
man, to toil.

Now on Love's Forgiveness, earnestly we call
For impurities imposed on Life, both great and small.
Gnomes and Elves and Fairies, Nature Spirits, too,
We love you with all our hearts, for patient service
true!

Sweetest little fellows, we command you free!
By the Love of Freedom's Flame for all Eternity!
Let the "I AM" Presence rend the human veil;
That we all may see you in the Light which cannot fall!
Freedom Flame now bless you, and each one now seal
In Its Freeing Essence so that you may feel
Its Great Purifying Presence bring to you and man
All the Love and Beauty that Earth knew when Life
began.

Helios and Vesta, and Great Central Sun,
Through Belov'd Pelleur and Virgo, bless each
precious one
Of the Nature Spirits, Gnomes, Elves and Fairies, too;
Now restore to them the happiness which they once
knew!

Melody: Mighty Like a Rose

OUR LOVE TO THE UNDINES

Scentillating Undines, sparkling in the Sun,
Serving all mankind until each Victory's won;
Now there flows from every heart to you
Love and Blessings for your service, true!
Patient and obedient, many forms you take -
Gentle streams and rivers, mighty sea and lake;
Throughout the Earth, though your beings captive be,
VIOLET FIRE NOW SETS YOU FREE!

Call we on Forgiveness' Law with Love sincere
For forgetfulness of your dear presence here.
Now does Freedom's Flame at last release
Through all Undines God's Great Love and Peace.
All the Water Element shall be set free
From all human shadows - raised in Purity,
Happy the Undines as when the Earth began;
Loving their service to man.

Helios and Vesta, from the Sun of Suns,
Shower forth Thy Gifts to all these precious ones!
Faithful Servants of Creation's Plan,
Undines serve the needs of every man.
Seal each blessed Undine in the Violet Flame;
Raising them forever in the "I AM" Name!
Enfold them in Its pure fragrance, Peace and Love,
As found in Thy Realms above.

Neptune and Lunara, grateful are we now;
And before Your Presence do we humbly bow.
Let the Mighty Waters be our Friend
As the Truth we seek now to defend.
Grateful are we for the service Undines give
Through the Water Element that we may live
In perfect Comfort and Health, so now we bless
Undines, with God's Happiness!

Melody: Beautiful Ohio

 All of Thy Glory from the Sun
 'Til Earth's great Victory is won!
 "I AM" we love Thee, Thou art our all!
 "I AM" we love Thee; Hear our CALL!

I hear thy call, my children dear;
 "I AM" thy heart, so never fear!

 And not one soul shall I pass by!

Forgiveness is the Heart of Love,
 Forgetfulness of every wrong;
 For every error made
 There's a healing song!
 For God is Infinite in Grace,
 In Patience and Mercy Divine;
 He offers Peace, by Violet Fire,
 Of body, soul and mind.

The Violet Fire of Freedom's Love,
 God's Gift of Forgiveness to all;
 Releasing from above -
 Answers every call;
 In eager, silent gratitude,
 It moves into action and heals;
 Transmutes by Light; makes all
 things right;
 God's Plan Divine reveals!

No sin too great to be forgiven;
 No need is too great or too small;
 The Violet Fire's Delight
 Is to answer call!
 To change all discord into Peace -
 Dissolve every shadow enthralled;
 The "LIGHT of GOD that NEVER FAILS!"
 Is Grateful to be called!

F O R G I V E N E S S - cont'd.THE CALL:

 Expand God's Light within!

And now, to bless our Saint Germain,
 Obedience, willing, we give!
 To show to all mankind

Fast
 I pledge the Three-fold Flame a vow;
 Its Glory All-Commanding now.
 I face my Source above and see
 My Presence smiling down at me!

I feel Its great enfolding Love
Pouring o'er me from above;
 I gaze into the Glorious Eyes;
 I hear It say: "ARISE! ARISE!"

I see Its BLAZING Heart of Light;
 Its beautiful Garments dazzling bright;
 I ask Its help and do implore,
 I hear It say: "ADORE! ADORE!"

I watch Its Light become a Sun . . .
 Whose Rays pour out to everyone;
 I now behold these seem to blend;
 I hear It say: "ASCEND! ASCEND!"

I must obey Its Mighty Call!
 Surrendering now myself - my all!
 I do attain my Victory!
 I hear It say: "All FREE! All FREE!"

Its arms reach out and raise me high;
 Its Light illumines all the sky.
 I hear It say: "My Self now BE!

THE HOLY CITY

Last night I lay asleeping,
 There came a dream so fair;
 I stood in old JerUSAlem,
 Beside the Temple there;
 I heard the children singing,
 And ever as they sang,
 Me-thought the Voice of Angels,
 From Heav'n in answer rang;
 Me-thought the Voice of Angels,
 From Heav'n in answer rang!

"JerUSAlem! JerUSAlem!
 Lift up Your Gates and sing!
 HOSANNA! in the highest . . .
 HOSANNA! to Your King!"

And then me-thought my dream was chang'd;
 The streets no longer rang,
 Hush'd were the glad Hosannas
 The little children sang;
 The sun grew dark with mystery,
 The morn was cold and chill,
 As the shadow of a cross arose
 Upon a lonely hill,
 As the shadow of a cross arose
 Upon a lonely hill.

"JerUSAlem! JerUSAlem!
 Hark! how the Angels sing!
 HOSANNA! in the highest . . .
 HOSANNA! to Your King!"

THE HOLY CITY - continued

And once again the scene was chang'd . . .
 New Earth there seem'd to be,
 I saw the Holy City
 Beside the tideless Sea;
 The Light of God was on Its Streets!
 The Gates were open WIDE! . . .
 And all who would might enter
 And NO ONE was denied!
 No need of moon or stars by night
 Or sun to shine by day,
 It was the NEW JerUSAlem
 That would NOT pass away!
 It was the NEW JerUSAlem
 That would NOT pass away!

JerUSAlem! JerUSAlem!
 Sing for the night is o'er!
 HOSANNA! in the highest!
 HOSANNA! for-ever-more!

HOSANNA! in the highest!
 HOSANNA! for-ever-more!

MY COUNTRY 'TIS OF THEE

My country, 'tis of thee,
Sweet land of Liberty,
Of Thee I sing.
Land Where my fathers died;
Land of the pilgrim's pride;
From every mountain side
Let Freedom ring.

My native country, thee -
Land of the noble free,
Thy name I love.
I love thy rocks and rills;
Thy woods and templed hills;
My heart with rapture thrills,
Like that above.

Let music swell the breeze,
And ring from all the trees
Sweet Freedom's song!
Let mortal tongues awake;
Let all that breathe partake;
Let rocks their silence break;
The sound prolong!

Our father's God, to Thee,
Author of Liberty,
To Thee we sing.
Long shall our land be bright
With Freedom's Holy Light;
Protect us by Thy might,
Great God - our King!

-Samuel F. Smith

True patriot love in all thy sons command!
With glowing hearts we see thee rise
The True North strong and free;
And stand on guard, O CANADA,
We stand on guard for thee!

CHORUS:

O CANADA! Glorious and free;
We stand on guard; we stand on guard for
thee!
O CANADA! We stand on guard for
thee!

O CANADA! Where pines and maples grow;
Great prairies spread and lordly rivers flow;
How dear to us thy broad domain
From east to western sea;
Thou land of hope for all who toil,
Thou True North strong and free.

O CANADA! Beneath thy shining skies,
May stalwart sons and gentle maidens rise
To keep thee steadfast through the years
From east to western sea;
Our own beloved native land,
Thou True North strong and free.

 Songs of forgiveness, thanksgiving and cheer -
 For our dear Earth, hold Your Peace all the

 Make Earth the fullness of all that You are -
 Hasten the Victory of dear Freedom's Star!

A SONG OF SPRING

'Tis Spring again;
 And in the trees and flowers,
 Life now returns
 From Winter's silent sleep.
 O'er hill and dale,
 God manifests His Powers;
 And from above the sky,
 Their watch the Angels keep.
 'Tis Spring again;
 And in the colors blending,
 The tiny crocus
 And the daffodil
 Raise their bright cups,
 The proof of life unending,
 As each small bulb
 Does now its Plan Divine fulfill!

'Tis Spring again;
 The birds sing forth its praises;
 And creatures small
 Now scamper 'round in glee;
 And in man's heart,
 As now his voice he raises
 In songs of Ecstasy,
 He's longing to be FREE!
 'Tis Spring again
 And Resurrection's Glory,
 In splendor brings
 The Gifts from God above;
 And to all men
 We tell the age-old Story -
 From out the opened Tomb
 Christ stands Revealed in LOVE!

A SONG OF SPRING - Continued

O lovely Amaryllis,
 Goddess of the Spring,
 As Earth now 'wakens
 From her Winter sleep,
 In gratitude,
 All forms of life Thy praises sing;
 On Earth and in the air,
 And in the waters deep.
 We see Thee manifesting
 Thy Eternal Youth;
 Since first Creation dawned,
 Thy Beauty fair
 Has ever shown to all
 Who seek God's Love and Truth -
 The proof of Everlasting Life
 Is everywhere!

And the Evening Star

Comes shining through;

Then there's two, then there's three,

Quite a few!

EVENTIDE -

When the full moon arrives

And the whole Blue Sky

Becomes a Paradise.

With the sky jeweled above

And my heart filled with Love!

EVENTIDE -

And Gautama's Love!

My heart thrills

When this day is come;

My heart stills

With this setting sun,

And the Evening Star

Comes shining through;

Then there's two, then there's three,

Quite a few!

Oh! how still -

At the full moon's rise

And the whole Blue Sky

Becomes a Paradise.

With the sky jeweled above

And my heart filled with Love!

EVENTIDE -

And Gautama's Love!
