

A Christmas Message given by Beloved Master Jesus December 25th, 1953

Dearly Beloved Brothers and Sisters, I am with you always—especially when the priceless beam of your own life is voluntarily turned toward me, either in supplication, in invocation, in loving gratitude, or in contemplation of my world, my works, or my consciousness.

Mankind has not yet fully realized the tremendous power that lies within the attention of even the most undisciplined lifestream, because through the energy that flows from the individual toward any person, place, condition or thing, the door is opened into the personal world of that individual for the anchorage of good or evil according to the subject contemplated.

During the celebration of the Christmas season, my mother and I have particular opportunity to bless life, because the attention of so many individuals is turned toward us. Every song, every prayer, every church ceremony, every card and display that reminds the outer consciousness of the Christ is an open door through which we may pour our love, our gathered momentum of light, and our Ascended Master Consciousness into the world of form.

The subject of my Christmas message to you, who have already come out from the masses and have signified to life that you desire to become master of circumstance, and to be God-free of limitation, is LOYALTY to GOD! LOYALTY is builded on LOVE! LOVE is developed through contemplation of the gifts and blessings and the kindnesses of life that issue from a benefactor—human or divine. To KNOW God is to LOVE him! To love him is to believe, with every fiber and atom of your being, that he is ALL-POWERFUL! Contemplate for a moment the significance of that statement! How loyal are your feelings to the all-power of god to always act instantly when you call him into manifestation at your point in the universe?

It is not the timid, uncertain, mildly-hopeful consciousness that rationalizes with appearances who signifies LOYALTY to the ILLUMINED FAITH IN GOD to manifest perfection instantly. It is rather the consciousness that BELIEVES that the nature of God is to give every good and perfect thing to his own creations, the children of his bosom, who were externalized by him in LOVE, in order to multiply his own divinity and increase the centers through which perfection could be externalized.

For a moment, let us look at my own experiences, which have formed the pattern of the religious thought of the past cycle of time. My entire ministry, and my victory, too, was based on absolute LOYALTY in feeling, thought, word and action to the conviction that God, the Father, was not only ALL-POWERFUL in his own sphere of activity, but also in mine—wheresoever I was at any given moment. I could not allow myself to think, even for a moment, of the possibility of a power opposed to God, either within me or outside of me. I did not dare to leave the comparative privacy of our humble dwelling until I had ANCHORED MYSELF in the active realization that my Father, who had created me and sent me forth into the world to represent him, and to manifest his will, could possibly either refuse to respond to my call, or withhold immediate, God-victorious, miraculous assistance whenever I should invoke him to dissolve shadows, dissipate error, or flash the fire of perfection through appearances, making them yield to the God design.

What is the most fearful appearance, but a concentrated mass of energy humanly qualified? Think of that for a moment! then—is human qualification more powerful than God qualification? No, thank God! Within that mass of energy is imprisoned life—the very body of the Father-Mother God awaiting the summons to come forth and throw off the human qualification and, responding to the God qualification—BE PERFECT!

You are either loyal to the power of human qualification, or you are loyal to the power of God through you, or any of God's children, to compel energy and substance to manifest according to the direction of the moment. I walked the ways of Earth, and shared the instruments of expression in this physical world with the other incarnate spirits of my time. I worked through a feeling world, a mental world, an etheric world, and a physical body, just as each of you do today. I was in possession of the five senses, through which there could have been recorded the tremendous appearances of evil, which had stamped themselves upon the flesh of my fellowmen, as well as upon the writhing substance of the etheric envelope, and the clouded vessel of mind. I saw the pressure of desire, that impelled the weak to succumb to lust and passion, but I knew that it was imperative that I remind myself constantly of the fact that energy and substance responded to qualification. True—but, although it was imprisoned by human qualification—it could be freed instantly by the power of God to act in a manner in accord with his divine will.

If you are loyal to a friend, you believe in his potential goodness. You endeavor, in every way, to stand by him, regardless of appearances. Oh, the blessed mothers of the race! How they have manifested this loyalty for the children of their flesh! But where is the GOD LOYALTY to the ALL-POWER OF YOUR FATHER—YOUR COSMIC MOTHER—to flash through you and around you, instantly, the Cosmic Flame of Freedom from shadows, pain, limitation, and distress?

Children of God, the measure of a man's loyalty to God is determined by what he allows to remain in his world, his body, his affairs, his home, and his aura. Submission to circumstances is disloyal to the Father.

I do not mean an outward violent show of emotional zeal. I mean a constant looking toward the nature of that Heavenly Father, until you realize his power as supreme, even over the appearance of death, until you come, through contemplation, to love him enough to trust him to respond instantly to your slightest whisper, or your strongest command to manifest his glory, his freedom, his healing, his supply, his will at your point in the universe. I give to you, as my Christmas blessing, my loyalty to the beautiful Father of Light and his exquisite complement—your own Cosmic Mother. I trust that when you move forward into the new cycle of 1954, you may start your day contemplating the love and power of your own God, and walk through each twenty-four-hour period not giving power, allegiance, or loyalty to any appearance or feeling of fear or uncertainty which might confront you (EVEN FOR AN INSTANT), knowing that where you are—GOD IS, and his power acts INSTANTLY when called into action.

May you have a holy Christmas, and a God-victorious New Year!
