Beloved and blessed ones seeking the way toward the ascension in the light! It is always a privilege and an honor in the extreme to come into the midst of such aspiring souls and to charge my courage and feeling of the possibility of the ascension into your feelings worlds, your minds, your etheric consciousness so that you know in every fiber and cell of your being, that the ascension is not only a possibility but THE ULTIMATE GOAL OF VICTORIOUS GOD-ACCOMPLISHMENT FOR YOU, every member of mankind, every imprisoned angel and elemental using the Earth as a schoolroom in the past, in the present, or in the future. Easy enough, it is to cognize the powers of the ascension of the beloved Ascended Master Jesus, wherein the glamour of the ages has covered over the agonies of the cross and nearly two thousand years have been spent in building up the beautiful ceremonies of the Christian Dispensation, but let me ask you, are you deep in our heart convinced that the ascension in the light is possible for you, IN THIS EMBODIMENT?

When the call comes from your own I AM Presence to return home, are you ready? No! I can see those who love it, who believe in the power of the ascension of saintly people like beloved Jesus but have within themselves either an Earth pull, and who are interested yet in unsaturated appetites of the senses; an Earth pull refusing to let go of members of their own household; or a sense of unworthiness to achieve that victory in this embodiment. This is all a negative force, which I, with my own hands, with the power of the seraphim which I invoke today, SWEEP AWAY, SWEEP AWAY, SWEEP AWAY from your minds, bodies, beings, worlds and affairs so that when your call comes like beloved Jesus, you are able in dignity to accept that call from your own I AM Presence for the blessing of your fellowman and to leave a record of living light in the energy and substance which you have used on this Earth-plane for those who are your contemporaries as well as those who will follow after you.

How many of the aspects of the Cosmic Law are accepted intellectually? Some are too young in body (although not in soul) and they want to enjoy the pleasure of the senses for a time; some have lived long and are weary because of the disappointments and disillusionments along life's way and, having been extremely honest in the scrutiny of their own soul's progress, are bowed down with an unnecessary sense of defeat. Beloved ones!

Every member of the Ascended Master Retreat at Luxor is a being who has accepted in every cell and atom that the ascension, the goal pointed out by God himself for everyone of his children, is not only possible but is an actual, practical manifestation which can occur at the close of this Earth life! Surely your ascension will not be as ostentatious as that of the beloved Ascended Master Jesus. The outer world is in such a condition that its peoples today would think they were seeing spaceships all over the planet, if you began visibly rising in light, and meteors galore would be recorded by the foolish!

Mary, Holy Mother of our beloved Master Jesus himself, gained her ascension in quietude and so have many of your beloved ones, having passed through the necessary funeral ceremonies of this so-called civilized age, when we stood by and removed from the recumbent form the living light! Into that glorious Electronic I AM Presence they have gone, enjoying that eternal freedom which our beloved brother El Morya has promised in return for your service to the light.

You sometimes think that merely saying a decree; or singing songs; or wiping the platform is not part of the very pathway towards your ascension! I tell you that every movement you make, every thought you think, every feeling you have, and constructive and positive action that you give to assist the upward- reaching progress of the entire race is building into your Causal Body that required momentum of good SO THAT YOUR LOVED ONES, AT THE CLOSE OF THEIR EMBODIMENTS, NEVER HAVE TO COME TO THIS EARTH AGAIN; NEVER HAVE TO WORK OUT DESTRUCTIVE KARMA IN DISTORTED BODIES AND CONFUSED SOULS. YOU, YOURSELF, CAN, AND SHALL, HAVE THE ASCENSION AT THE CLOSE OF THIS EARTH LIFE.
