Beloved mighty I AM Presence and beloved Holy Christ Self! Looks back over my entire life stream, all my incarnations! Find out what else is waiting to be balanced, to any person, place, thing, condition that I have ever done any wrong at any time, in any way, and for whatever reason. Then ranged with your loving hands of light, into my treasure house of good, that I have accumulated over the ages - into my causal body. Draw out of it TEN TIMES SO MUCH Perfection, as I have done wrong. Forms from this substance a gift of love or whatever may be needed, for any guilt, that I have ever caused, and who is not atoned yet - whether it may concern ascended or unascended brothers and sisters.

FORGIVE, FORGIVE, FORGIVE, each person, every situation and every thing, who are guilty across at my life-stream. Compensate all the guilt, I have ever done. I now accept this as fulfilled. So is it, in God's Holy Name "I AM"!

8. SONG BELOVED ARCTURUS (You can also speak it)

Great Arcturus

Great Arcturus, God of Splendour,
Elohim of Violet Fire !
Anchor now thy victory through us –
To be like thee – we aspire.

Violet Fire God's perfection,
dear Arcturus now controls.
Cosmic Flame of Resurrection –
In its heart our Earth it holds.

Great Arcturus, for Earth's victory,
now the Violet Fire release,
by thy great transmuting power –
charge all discord into peace !

Free our Earth and all upon it,
from all never meant to be.
All the angels, elementals –
All on Earth now worship thee !

God of glory, light resplendent,
in thy radiance let all live.
Through thy ray in every forehead –
Light expand and wrongs forgive !

Thine the power, thine the glory,
thine the victory-God-success.
We call for thee and thy loved one,
all God's gifts of happiness.
