 We all adore Thee with hearts sincere.
 Great God of Power and Love and Light,
 Thy Sword of Blue Flame brings Victory's Might.
 MICHAEL, God of Light, we love Thee,
 Great and Holy One, we love Thee dearly.
 Great Archangel bright, we love Thy Light
 Which teaches us the Law so clearly.
 Come to Earth today; enfold us all in
 Thy Blue Flame of God's Protection.
 Take Thy dominion; transmute and raise and purify
 And FREE all life upon our Planet Earth today !

Guardian of men and of Angels, too,
 We welcome Thee and Thy Sword of Blue.
 Stand forth for all Life on Earth to see !
 Thy Presence we need to set all Life FREE !
 Friend of ages past, Whose Blessed Flame of Blue
 On Earth is greatly needed,
 COME ! And claim Thine Own where'er Thy Wisdom
 And instruction are now heeded.
 BLAZE Love's Power now into and through
 Each one who is sincerely seeking.
 Command Perfection and God Supply and God Control
 And all that is God's Plan Divine fulfilled for all !

HAIL TO THEE ! ARCHANGEL MICHAEL – cont.

ARCHANGEL MICHAEL ! and Hosts of Light !

 Call Heaven's Blessing
 On Thy Flame of Blue, Its Power of Love,
 In tenderness, is all-caressing.
