Through the centuries, the great Maha Chohans of each age have availed themselves of the tremendous power of the Resurrection Flame, in bringing the kingdom of nature to new life each springtime, and the builders of form have utilized the powers of the Resurrection Flame in creating new temples or bodies, for the evolving souls of mankind. As the Spring sunshine stirs the dormant life within the nature kingdom, our Lord Maha Chohan sends forth the pulsation of the Resurrection Flame through the Earth and obedient life responds, literally "rising from the dead," in the miracle of Spring. To resurrect means to "bring to life again" that which is seemingly dead. Mankind are witness to this resurrection through the nature kingdom, each Springtime. It is the decree of the Holy Ones, who guard the Resurrection Flame, that mankind shall also "tune in" to this Resurrection Flame and consciously resurrect the perfection which lies dormant in most human beings.

Jesus' statement, "I AM the resurrection and the life," like many other statements of the Ascended Host, repeated by mankind, is not complete. "I AM the resurrection and the life of perfection," is the completed statement! THE BELOVED MASTER JESUS ENDEAVORED TO SHOW MANKIND THAT WHAT NATURE CAN DO, MAN ALSO CAN DO! HE, THEREFORE, SUBMITTED HIS HOLY, UNDEFILED PHYSICAL BODY TO SO-CALLED "DEATH" AND THEN, THROUGH THE INVOCATION OF THIS RESURRECTION FLAME, HE BROUGHT LIFE BACK INTO THAT SAME BODY, AS AN EXAMPLE TO ALL MANKIND, THAT WHAT CAN BE DONE BY A FLOWER, A SHRUB OR A TREE, CAN ALSO BE DONE BY MEMBERS OF THE HUMAN RACE.

Through the action of this flame, Jesus' physical body was resurrected and restored in the tomb, thereby proving the immortality of life. That was the goal of Jesus' mission –to be the way-shower, to be the example, for all mankind to follow. This is the reason the crucifixion was permitted to take place. Mankind, for the most part, however, have accepted the resurrection of Jesus as a "miracle," only possible for him and have not availed themselves of the use of the Resurrection Flame, to restore their own vehicles to perfection, rather submitting to disease, disintegration, decay and, finally, so-called "death."

However, to keep alive the FEELING of the power of resurrection in the consciousness of unascended mankind, beloved Jesus and Mother Mary now continuously send forth into the atmosphere of Earth, that victorious radiation from this temple, which is the focus for the activities of the Great White Brotherhood, during a thirty-day period of a given year.

The Flame of Resurrection is the hope of redemption of the entire human race, by which the diseased, distorted and disintegrating substance, that has been generated by human thought and feeling, and imposed upon the pure God-energy, may be purified, transmuted and restored to its natural, perfect God-perfection. The action of the Resurrection Flame increases the vibratory action within the cells of the four lower bodies, enabling the inner light to throw off the appearance of limitation, and stand revealed in "the glory it had with the Father, before the world was.

"THE SUBSTANCE OF THE RESURRECTION FLAME FLOWS THROUGH THE INNER BODIES OF THOSE WHO INVITE IT, AS WELL AS THROUGH THE ACTUAL FLESH STRUCTURE."

The vibratory action of the Resurrection Flame is controlled by those brothers and sisters who abide within the Resurrection Temple and direct that flame through the physical, mental, etheric and emotional bodies of the chelas, in answer to their individual invocations. The action of the flame is uplifting, life-giving and produces hope and buoyancy. The Resurrection Flame reverses the currents of energy. It turns imperfection into perfection. The Spirit of Resurrection is an intelligent entity, which dwells within the flame and it will bring specific God-virtues into the world of the student when invited to do so.

Thus, if the requirement is for HEALTH, the student may draw the power of the Resurrection Flame through his four lower bodies. If the requirement is for SUPPLY, the student is asked to consciously draw the Resurrection Flame through the appearance of limitation and KEEP AT IT UNTIL ABUNDANT SUPPLY IS MANIFEST.

This flame enables individuals to maintain life in the physical body for long periods of time. When given opportunity, the Spirit of Resurrection will resuscitate, for man, his faculties and resurrect his body into perfection and mastery.

APPLYING THE POWER OF THE RESURRECTION FLAME

It is the request of our Lord Maha Chohan that the students deliberately direct their consciousness toward this temple during the thirty-day period (around Easter Season), when the retreat is open. This activity will enable students to experience and bring back, to some degree, the Ascended Jesus Christ feeling of the power of the resurrection. Then the students should use that power of resurrection consciously to restore, resuscitate and bring to life, in their own individual worlds, some specific God-requirement, which seems lacking.

Thus, if the requirement is for health, the student is requested to draw the power of the resurrection through the inner and physical bodies. If the requirement is for supply, the student is asked to consciously draw the Resurrection Flame through the appearance of limitation and KEEP AT IT until abundant supply is manifest. You may also call for the resurrection of the dormant talents, gifts, and powers that are within your Causal Body.

It is your privilege to call for that infinite power of the Resurrection Flame to resurrect the natural life and natural buoyancy, hope, and perfection in every electron that belongs to this Earth and to this planetary system. The Masters are recommending two exercises that apply the power of the Resurrection Flame:

1: (Use when the Resurrection Temple is open.)

Before you go to sleep at night, shake your etheric garment (as you would shake a dress you had worn all day) free of all its accumulation into the Violet Fire. As you do so, feel that Violet Fire blaze up through it. Then ask an Ascended Master to guide you to the Resurrection Temple and that there may be impressed, upon you, the wonderful teachings of the various members of the ascended and angelic host, so that you may bring back, into your outer consciousness, when you awaken in the morning, the memory of those instructions for use in your own world. Your etheric body is the vehicle in which you travel most of the time. It is most closely connected with your physical vehicle, actually interpenetrating it.

Therefore, the more purified the etheric body is, the easier it is for your brain consciousness to remember some of the instructions which are for your own personal use, only. At the time when it is open, enter into the Resurrection Temple at least once in every twenty-four hours, bathe in its flame, practice the use of the resurrection power that is within your own life, to restore to you the perfection of being, which you knew before the "Fall of Man.

"This is the invitation of the Ascended Host, to all mankind, during Holy Easter Season. Accept it! Use it! Feel the resurrecting power of divinity (presently quiescent within you) stir into action and then allow it to flow through all your inner vehicles, your physical body, your aura, and into the world in which you presently abide. Thus do you become a Resurrection Temple, in yourself!

Exercise 2:

Beloved Mother Mary, in an article published in the Bridge to Freedom Bulletin, recommends an exercise to use the power of this flame to full advantage. She states: "TODAY, SOME TIME WHEN YOU ARE QUIET, TAKE A GLASS OF WATER AND THEN CALL THE POWER OF THE RESURRECTION FLAME TO CHARGE THROUGH IT, RAISING ITS VIBRATORY ACTION TO THAT OF THE ELIXIR OF LIFE. DO THAT THREE TIMES TODAY. DRINK IT AS THAT ELIXIR.

It is a practical, workable activity, which will give to you a greater uplift of a sustained nature, than any amount of stimulus that can be given to you by the outer world. This is just a simple example, but I would like you to feel it; I would like you to see and to know the power that is in you, in everyone, to create and charge the water element into a substance which is truly THEE LIXIR OF LIFE.
